

Group Term Life Insurance Plan

Is your family protected?

Did you know that 50% of U.S. households do not have adequate life insurance coverage? (“Life Insurance Awareness Month,” LIMRA., August 2013.)

If you were removed from the picture, would your loved ones be able to maintain their lifestyle? Even if you have a policy in place, it may not be enough to help secure your family’s financial future. Help ensure your family is protected with the Texas Society of Certified Public Accountants (TSCPA) Group Term Life Insurance Plan.

Benefit Features:

- > Portable coverage at affordable group rates
- > Choice of beneficiary
- > Coverage available for spouse and children
- > Accelerated Death Benefit
- > And more!

Who is eligible?

If you are a TSCPA member under age 65, or a full-time employee of a member under age 65, actively working 20 hours per week, and resident of the United States, you are eligible for this coverage. Coverage is also available for your lawful spouse under age 65, and your unmarried dependent children age 14 days to age 25.

A spouse who is also a member or employee must apply for member or employee coverage. If both parents of an eligible child are insured as members or employees, only one may request child coverage.

How much coverage can members request?

As an eligible member, you can request from \$25,000 to \$750,000 in benefits, for you and your lawful spouse (spouse coverage cannot exceed member’s coverage), in \$25,000 increments of coverage. In addition, each eligible child may receive \$2,000 (\$500 for children 14 days to six months).

A volume discount is available to eligible members who purchase \$250,000 or greater in coverage. Contact a TSCPA Member Insurance Program Specialist for more information on discounts.

How much coverage can employees request?

A full-time employee of a TSCPA member can request from \$25,000 to \$100,000 in coverage in \$25,000 increments of coverage. If an employee’s quadrupled annual income is greater than \$100,000, the employee may apply for higher limits of coverage (rounded to the nearest multiple of \$25,000) up to a \$250,000 maximum coverage.

Example: An employee earns a salary of \$40,000. Multiply salary by four to get \$160,000 then round to the nearest \$25,000 increment for a total of \$175,000 in coverage.

Spouses of employees are eligible for coverage in \$25,000 increments. Spouse coverage may not exceed employee coverage amount. In addition, each eligible child may receive \$2,000 (\$500 for children 14 days to six months).

DETAILS OF THIS COVERAGE

Beneficiary

You may choose any person(s), trust, or other legal entity as your beneficiary. If there are no surviving beneficiaries at the time of your death, benefits will be paid to executor or administrator of your estate or, at the option of New York Life, to surviving relatives in the following order: spouse; children equally; parents equally; or siblings equally.

Accelerated Death Benefit

Available to help terminally ill insureds and their families, this feature is designed to provide an insured with one advanced payment equal to 50% of their inforce life insurance to be paid while that person is still alive. To qualify, the insured must be diagnosed by a physician as having a life expectancy of 12 months or less. This benefit would be payable 12 months after the date of approval, and the death benefit would be reduced by the amount paid to the insured. Premiums do not reduce. For additional details and limitations, please see the Certificate of Insurance. Please note that receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of tax counsel. *Note: This benefit is not available to residents of Massachusetts.*

Conversion

The plan gives you the opportunity to convert to an individual policy with no medical exam when coverage terminates. This is subject to certain conditions which are described in your Certificate of Insurance.

Premium Waiver

Coverage for member/employee and any insured dependents will continue coverage at no cost if member/employee is under age 60 and becomes totally disabled while insured and the disability continues for at least nine consecutive months. To receive this benefit, you will be required to produce evidence of continued total disability periodically during this time.

30-Day Free Look

If you are not completely satisfied with the terms of your Certificate of Insurance, you may return it without claim within 30 days. Your coverage will be invalidated and you will receive a full refund —no questions asked!

Effective Date

All coverage is subject to underwriting approval. Approved coverage will take effect on the first of the month following the date your application is approved by New York Life, provided your premium contribution is received within 31 days of such date and you, and your eligible dependents (if also to be insured) are performing the normal activities of a person in good health of like age on this date (Residents of North Carolina: Any reference to “performing normal activities of a person in good health of like age” is replaced by the requirement that the health status of any proposed insured remains the same as stated in your application.) If a person is not performing normal activities on the date their coverage is effective, their effective date will be deferred until they are performing the required activities, provided they resume normal activities within three months of their original effective date and they remain eligible.

DETAILS OF THIS COVERAGE

Renewal Payments and Claims

Once you have been approved for the plan, you will have a 31-day grace period for your payment of renewal premium contributions. To submit a claim, contact the Plan Administrator, Pearl Insurance at 800.845.8941 for claim forms.

Renewal of Coverage

Your coverage will be renewed until you attain age 80 as long as you remain a member of the TSCPA or a full-time employee of a member, you pay your premiums when due, and the group plan remains in effect. Benefit amounts are not guaranteed and are subject to change by an agreement with New York Life Insurance Company and the Trustees of the TSCPA Insurance Trust. Eligible dependents who are insured remain insured as long as the member/employee coverage is in effect.

If a member/employee dies, the dependents coverage will continue as long as they remain eligible and pay the required premium. The group policy may be terminated by the TSCPA Insurance Trust or New York Life Insurance Company.

Scheduled Coverage Reduction

Benefit amounts for member/employee and spouse reduce by 50% when the member/employee attains age 65 and an additional 50% at age 75, leaving the remaining benefit amount to be 25% of the pre-age 65 amount. Premiums do not reduce. (The amount of children's insurance does not decrease.)
